  21. Plaintiff MARTINIANO DE GANTE ARCE regularly worked a schedule of shifts beginning at approximately 10:30 a.m. each workday and regularly ending at approximately 9:00 p.m. or later four (4) days per week and from approximately 10:30 a.m. each workday and regularly ending at approximately 11:00 p.m. or later two (2) days per week.

  25. Although Plaintiff regularly worked approximately sixty-seven (67) hours or more hours each week from in or around February 2021 until in or around December 2022, the Defendants did not pay Plaintiff at a wage rate of time and a half (1.5) for his hours regularly worked over forty (40) hours in a work week, a blatant violation of the overtime provisions contained in the FLSA and NYLL.

Those similarly situated employees are known to Defendants and are readily identifiable through Defendants' records.
41. The questions of law and fact common to the putative class predominate over any questions affecting only individual members.
42. The claims of Plaintiff are typical of the claims of the whole putative class.
